

TA WILDFLOWER AND SHRUB LIST – 88 species; 65 in (2006), 23 added in (2007)

Only plants that are blooming during Mountain Nature Camp on the TA property and adjacent road are included.

ARACEAE – ARUM FAMILY

Jack-in-the-pulpit – *Arisaema triphyllum*

LILIAEAE - LILY FAMILY

Devil's Bit – *Chamaelirium luteum*

False Solomon's Seal – *Maianthemum (Smilacina) racemosum* (road)

Canada Mayflower - *Maianthemum canadense*

Indian Cucumber-root – *Medeola virginiana*

White Clintonia - *Clintonia umbellulata* (2007)

DIOSCOREACEAE – YAM FAMILY

Four-leaved Wild Yam - *Dioscorea quaternata* (road)

IRIDACEAE – IRIS FAMILY

Blue-eyed Grass – *Sisyrinchium angustifolium*

ORCHIDACEAE – ORCHID FAMILY

Large Round-leaved Orchid – *Platanthera (Habenaria) orbiculata*

Large Twayblade – *Liparis lilifolia*

POLYGONACEAE – BUCKWHEAT FAMILY

Broadleaf Dock – *Rumex obtusifolia* (2007)

Curly Dock – *Rumex crispus* (2007)

Asiatic Water Pepper (Long-bristled Smartweed) – *Polygonum cespitosum* (2007)

CARYOPHYLLACEAE – PINK FAMILY

Lesser Stitchwort – *Stellaria graminea*

Longleaf Stitchwort – *Stellaria longifolia* (road)

Common Mouse-ear Chickweed – *Cerastium fontanum (vulgatum)*

Mouse-ear Chickweed – *Cerastium glomeratum (viscosum)* (road)

Bladder Campion – *Silene vulgare (cucubalus)*

RANUNCULACEAE – CROWFOOT/BUTTERCUP FAMILY

Creeping Buttercup – *Ranunculus repens*

Tall or Meadow Buttercup - *Ranunculus acris*

Bulbous Buttercup – *Ranunculus bulbosus* (road)

BRASSICACEAE (CRUCIFERAE) – MUSTARD FAMILY

Yellow Rocket – *Barbarea vulgaris* (road)

SAXIFRAGACEAE – SAXIFRAGE FAMILY

Golden Saxifrage – *Chrysosplenium americanum*

ROSACEAE – ROSE FAMILY

Virginia Strawberry – *Fragaria virginiana* (road)

Common Cinquefoil – *Potentilla simplex*

Upright (Rough-fruited) Cinquefoil – *Potentilla recta* (2007)

Canada (Dwarf) Cinquefoil – *Potentilla canadensis* (2007)

White Avens – *Geum canadense*

Bristly Dewberry – *Rubus hispidus*

FABACEAE (LEGUMINOSAE) – PULSE (CLOVER) FAMILY

Red Clover – *Trifolium pratense*

White Clover – *Trifolium repens*

Alsike Clover – *Trifolium hybridum*

Yellow Hop Clover – *Trifolium agrarium* (road)

Low Hop Clover – *Trifolium campestre* (road)

Small (Least) Hop clover – *Trifolium dubium* (road) (2007)

Black Medick – *Medicago lupulina* (road) (2007)

Yellow Sweetclover – *Melilotus officinalis* (road)

Common Vetch – *Vicia angustifolia* (road)

OXALIDACEAE – WOOD SORREL FAMILY

European Yellow Wood Sorrel – *Oxalis europaea*

TA WILDFLOWER AND SHRUB LIST – 88 species; 65 in (2006), 23 added in (2007)

Only plants that are blooming during Mountain Nature Camp on the TA property and adjacent road are included.

MALVACEAE – MALLOW FAMILY

Musk Mallow – *Malva moschata* (road)

CLUSIACEAE (GUTTIFERAE) – MANGOSTEEN FAMILY

Elliptic-leaf (Pale) St. John's Wort – *Hypericum ellipticum* (2007)

Shrubby St. John's Wort – *Hypericum spathulatum/prolificum* (2007)

VIOLACEAE – VIOLET FAMILY

Marsh Blue Violet – *Viola cucullata*

Sweet White Violet – *Viola blanda*

Primrose-leaf Violet – *Viola primulifolia*

ONAGRACEAE – EVENING-PRIMROSE FAMILY

Sundrops – *Oenothera perennis*

ARALIACEAE – GINSENG FAMILY

Wild Sarsaparilla – *Aralia nudicaulis*

APIACEAE (UMBELLIFERAE) – PARSLEY FAMILY

Purple (Great) Angelica – *Angelica atropurpurea* (2007)

CORNACEAE – DOGWOOD FAMILY

Alternate-leaved Dogwood – *Cornus alternifolia*

PYROLACEAE – WINTERGREEN FAMILY

Spotted Wintergreen – *Chimaphila maculate* (2007)

Indian Pipe – *Monotropa uniflora* (2007)

ERICACEAE – HEATH FAMILY

Pinxter Flower – *Rhododendron nudiflorum*

Smooth Azalea – *Rhododendron arborescens*

Maleberry – *Lyonia ligustrina*

Deerberry - *Vaccinium stamineum*

PRIMULACEAE – PRIMROSE FAMILY

Whorled Loosestrife – *Lysimachia quadrifolia* (2007)

APOCYNACEAE - DOGBANE FAMILY

Indian Hemp – *Apocynum cannabinum*

LAMIACAE (LABIATAE) – MINT FAMILY

Ground-ivy – *Glechoma hederacea*

Heal-all/ Selfheal – *Prunella vulgaris*

Hemp Nettle – *Galeopsis tetrahit*

Calamint – *Calamintha vulgaris* previously Wild Basil – *Satureja vulgaris* (2007)

SCROPHULARIACEAE – FIGWORT FAMILY

Thyme-leaved Speedwell – *Veronica serpyllifolia*

Common Speedwell – *Veronica officinalis*

PLANTAGINACEAE – PLANTAIN FAMILY

Narrow-leaf (English) Plantain – *Plantago lanceolata*

Great (Common) Plantain – *Plantago major* (2007)

RUBIACEAE – MADDER FAMILY

White Bedstraw (Wild Madder) – *Galium mollugo*

Partridge Berry – *Mitchella repens*

Rough Bedstraw – *Galium asprellum* (2007)

Sweet-scented (Fragrant) Bedstraw – *Galium triflorum* (2007)

Bluets – *Houstonia caerulea*

CAPRIFOLIACEAE – HONEYSUCKLE FAMILY

Smooth Arrowwood – *Viburnum dentatum*

Black Elderberry – *Sabucus (nigra ssp) canadensis* (2007)

TA WILDFLOWER AND SHRUB LIST – 88 species; 65 in (2006), 23 added in (2007)

Only plants that are blooming during Mountain Nature Camp on the TA property and adjacent road are included.

LOBELIACEAE – LOBELIA FAMILY

Downy Lobelia – *Lobelia puberula*

Spiked Lobelia – *Lobelia spicata* (2007)

ASTERACEAE (COMPOSITAE) – ASTER FAMILY

Philadelphia Fleabane – *Erigeron philadelphicus*

Daisy Fleabane – *Erigeron annuus* (road)

Daisy Fleabane – *Erigeron strigosus* (road)

Black-eyed Susan – *Rudbeckia hirta*

Yarrow – *Achillea millefolium*

Ox-eye Daisy – *Leucanthemum vulgare* (*Chrysanthemum leucanthemum*)

Golden Ragwort – *Packera (Senecio) aurea*

Cat's Ear – *Hypochoeris radicata*

Mouse-ear Hawkweed – *Hieracium pilosella*

Field Hawkweed – *Hieracium pretense*

Common Dandelion – *Taraxacum officinale* (2007)

Canada Thistle – *Cirsium arvense* (2007)

Pasture Thistle - *Cirsium pumilum* (2007)

Note that the old Latin/Greek names are in red. Report any new flowering species to the Mountain Nature Camp program director.
